RE: Check-in Update

CKFF animal check-in will be tomorrow, **Wednesday, July 31, 8 AM to 1 PM with swine check-in extended from 6 AM to 10 PM.**

Delivering SHEEP and MEAT GOATS

- Use the alley to the north, **BEHIND** the Armory to pull up to the **SOUTH** end of Barn 2 and unload

Delivering SWINE

- Use the north/south alley that runs parallel to the Small Livestock Arena and Barn 2 off of NW 8th Street
- Enter from the north, exit to the south

Delivering BEEF

- Due to the manure containment area taking up part of Pine Street, there can be no parking, even briefly, on the east side of Pine Street closest to the horse barns. This is by order of the Fire Chief for public safety. We realize it may not be convenient during check-in and check-out, but please don't make this something the fair board has to patrol and chase people down.

Delivering HORSES, POULTRY, and RABBITS

- Be aware of the Pine Street restrictions

We still have lots of heat in the forecast! Remember to take frequent breaks to take advantage of the air-conditioning in Sterl Hall or the small room at the Armory or at the benches in the shade throughout the grounds. A cooled water fountain and bottle filler is available in Sterl Hall.

Tomorrow we Celebrate the Present at the 100th Central Kansas Free Fair!
