RE: CKFF Wrap-up

Just a quick note to thank you for your participation and assistance at fair this year. We had a new schedule, a new building, and lots of things that were weird and quirky, but it was a joy. It was apparent that fun was being had and learning was happening. Thank you for your contributions to fair week and for being willing to "Take It Easy."

A few wrap up items:

1. The fair board needs assistance putting showcases and photo display boards away this **Wednesday, August 7, starting at 5:30 PM**. Please help as you are able. Many hands make for light work. There are currently several exhibits still at Sterl Hall. Stop by the fair office to get access to pick those up before Wednesday.
2. If you are 9 years old and above and have an exhibit that qualifies to go to the Kansas State Fair, please complete the [INTENT TO EXHIBIT online form](#) by this **Wednesday, August 7**. Some classes, such as those for the dog show, require an entry fee. Fees need to be paid to Dickinson County 4-H Council. More information about KSF classes may be found [here](#).
3. Our Winner's Walkway cameras proved to be less than reliable. If you took photos, please email those to Megan at [mkanguiano@ksu.edu](mailto:mkanguiano@ksu.edu) to be shared on a drive we provide to local media. Any info you have to help label photos would be appreciated.

My family is taking a short vacation the rest of this week. Please call or email the office with questions and we will get them answered as soon as possible. We won't let you miss a deadline because I'm out of the office.

Hope everyone is looking forward to a great start to the school year!
